COVID-19 Winter Heating Supplement is available for Members 65+

The winter heating supplement is available to members aged 65+ who are in need of financial assistance with their winter heating fuel: wood, pellets, oil and gas. One supplement claim per household please. The supplement is available to members on and off reserve.

To register contact the FSI team at fsi@okanagan.org or call 250-241-9790. Details about how you can claim the supplement will be explained.

The winter heating supplement program is funded with COVID-19 funds which are one-time. Future years will have to be funded through another source and the criteria will be set according to future budgets.

Rider Ventures has started working at the wood lot in preparation of firewood deliveries for OKIB Winter Fuel Supplement Subsidy 65+. The crew will start delivering firewood Tuesday, October 6 to members aged 65+ while adhering to COVID 19 safety protocols during deliveries.

Left to right: Levi Trant, Craig Moore, Colton Bonneau, Raynen Campbell-George, Shadow Alison and Ty T. Louis (missing Dave Miller).
