EOC Update

August 30, 2021

Irish Creek controlled burn @ 4:50 PM

Way' Community Members,

The OKIB EOC has spoken with the BCWS incident command team and are still reporting that the controlled burn is still moving forward according to plan. As of 1500hrs (3:00 PM) the burn was considered 50% complete. Also note that the first phase of the fire has begun to burn itself out as fuels have been expended. BCWS will likely begin to move to mop up operations tomorrow as fuels are expended in the planned ignition areas.

The BCWS and OKIB EOC will continue to monitor the situation as it progresses.
