Daycare, Cultural Immersion School, Language Nest all closed until further notice

These are difficult times and we must be vigilant in protecting OKIB members, specifically the Elders, from COVID-19. Therefore, effective today (March 16, 2020 @ 4:30 p.m.) all OKIB operations/buildings will be shut-down for 3 weeks.

Administration and Chief and Council will continue to review the duration of this shutdown on a regular basis. Staff, who can work remotely, will continue to work, while other staff may be asked to assist the community in other ways. It is important that we all need to work together to halt COVID-19 transmission, through regular handwashing and social distancing.

Please help your fellow community members as we work through this major health pandemic together.

Please refer to OKIB's webpage for regular updates <https://okib.ca/departments/community-services-development/health/covid-19>
