OKIB Recovery Team Organizational Chart

OKIB Recovery Team Personnel: Roles and Responsibilities

Recovery Manager – Jenelle Brewer

Recovery Manager will be the lead role for the OKIB Recovery Team and will oversee the Recovery Personnel outlined. The Recovery Manager will be responsible for planning, executing, monitoring, controlling, and completing projects directly related to the Recovery Program. They are accountable for the entire project scope, the project team and resources, communications, the project budget, and the overall success of the Recovery efforts.

Phone: 250-241-1720

Housing Section Chief – Al Loke

Housing Section Chief will work with the Band and individuals that have been impacted by the recent disaster event to find interim housing solutions and is responsible for ensuring reconstruction of homes and other assets where funding is available. The Housing Section Chief will be responsible for the procurement as required, and following the provincial and federal guidelines.

Email: recoveryhousing@okanagan.org

Phone: 250-241-3848

Environment Section Chief – John Davies

Environmental Section Chief will work with the Band to address the environmental impacts of the 2021 Wildfire on the reserve. The role will seek solutions for environmental clean up, determining impacts to the watersheds and other on-reserve environmental impacts due to the wildfire. The Environmental Section Chief will be responsible for implement processes that are in alignment with the provincial and federal guidelines.

Email: recoveryenvironment@okanagan.org

Case Manager, Lane Brewer

Case Managers will work with individuals that have been impacted by the recent wildfire by listening to and understanding their needs, capacities and barriers to recovery from the event. The Case Manager will assess described needs and identify what services and supports may be through community, provincial and federal supports. Case management activities may be conducted virtually and/or in-person, including through outreach teams to communities.
